MEMBERSHIP FORM

If you would like to join the Child Growth Foundation (CGF) please complete and return this membership form. If you do not wish to become a member but would like to support us, we are always most grateful of any donations. By supporting the Foundation you are enabling it to continue to support others.

The CGF is an umbrella organisation for the following growth disorders:-

- RUSSELL SILVER SYNDROME (including Intrauterine Growth Retardation-IUGR)
- GROWTH HORMONE DEFICIENCY/INSUFFICIENCY (including Multiple Pituitary Hormone Deficiency – MPHD)
- SOTO’S SYNDROME
- PREMATURE SEXUAL MATURATION (PSM)
- BONE DYSPLASIA
- TURNER SYNDROME

We have many adult members as well as parents of children with a growth condition.

Membership of the CGF automatically makes you a member of the appropriate condition group.

Annual membership can be paid by cheque/postal order or by Bankers Order: the latter not only eases our paperwork but should be more convenient for you. If you are on Income Support and are unable to pay the subscription, please give us your Income Support number; if you can donate something no matter how small towards your membership it would be very much appreciated.

MEMBERSHIP BRINGS YOU SUPPORT, ADVICE, NEWSLETTERS AND AN ANNUAL CONVENTION.

It offers you a support help-line and advice service, a friendly listening ear, a network of contacts and up-to-date information on the latest developments affecting growth via the Foundation’s February and August newsletters. The newsletters also feature group reports and articles about the Foundations activities, fundraising campaigns, and professional education programmes. Contributions from members are always welcome. Membership entitles you to attend the Annual Convention where each group has its own programme. Here you can meet growth specialists in an informal setting as well as meeting other members of your group and their children.
